The Community Captain

Community Captain —
hospitality that scales past
exceptions

You build tribes.

Athena Automation · Las Vegas · Not a clinical test.

PROFILE

The business is a gathering place — club, practice, restaurant, firm — and you are the face that makes people feel they belong. You plan events, rituals, and calendars; you care how the room feels as much as what it earns. Loyalty is your growth engine.

WHAT'S IN YOUR WAY

Saying no. Over-customizing for every VIP request burns staff and breaks the schedule. The Playbook exists until a favorite member asks for an exception.

WHERE AUTOMATION FITS

Concierge Agents that handle routine member, patient, or guest requests 24/7 while preserving your tone — freeing you for the high-touch moments only a Captain should own. Playbook-friendly booking rules with clear override tiers.

OPERATORS WHO RHYME

Real operators whose working style rhymes with yours. Not a claim about you. A way to see the pattern.

Danny Meyer Union Square Hospitality	Oprah Winfrey OWN	Blake Mycoskie TOMS

FOR FUN / INTERPRETIVE

Fictional characters that rhyme with this operating style. Not a claim about anyone’s private psychology.
