The House Host

House Host — rituals
protected after hours

Service is personal and scheduled.

Athena Automation · Las Vegas · Not a clinical test.

PROFILE

You know regulars by name, protect the guest experience, and run a house with rituals — openers, seatings, appointment buffers. People come back because the feel is consistent and kind.

WHAT'S IN YOUR WAY

Soft boundaries. You absorb every special request and under-price exceptions. Staff burnout hides behind "we're a family."

WHERE AUTOMATION FITS

Booking and FAQ Agents that protect hospitality standards after hours;
Relationship tone in scripts; Playbook rules that make saying no easier because the system says it first.

FOR FUN / INTERPRETIVE
