

The Magnet

Magnet — experience that
shows up without you in the
building

People orbit you.

Athena Automation · Las Vegas · Not a clinical test.

PROFILE

You attract clients through warmth, story, and improvisation. You sense where culture is heading and you ride it — pop-ups, collaborations, seasonal menus, whatever keeps the buzz alive. Structure is a suggestion until it helps someone feel special.

WHAT'S IN YOUR WAY

Consistency. The experience depends on whether you are in the building. Reviews swing with staffing; SOPs feel like they kill the magic.

WHERE AUTOMATION FITS

Automate the repetitive middle (FAQs, reservations, intake) so the magic is not buried under busywork — and so the Magnet experience still shows up when you are off the floor.

OPERATORS WHO RHYME

Real operators whose working style rhymes with yours. Not a claim about you. A way to see the pattern.
